ARRONDISSEMENT DE TORCY

CANTON DE TORCY

To the attention of the Mayor of Radcliffe on Trent
and all the members of the Twinning Association

Objet : Message of condolences

Dear Madam, Dear Sir ,

It was a profound shock and sorrow to learn of the passing of Mayor Graham Leigh Brown and Mr. Michael Bedford over the past few months.

We know that these feelings are shared by everyone who have known them and who have crossed paths in our city. We also want to send our deepest sympathy to all members of the Twinning Association as well as our most heartfelt condolences to the families of Mr. Mayor Graham Leigh Brown and Mr. Michael Bedford.

Added to this is the impact of the sanitary situation on the inhabitants of our twin cities which has been very present in our thoughts in recent months. We are going through together, although at a distance, this difficult and unprecedented period.

We warmly thank all the members of the committees for their support and contribution to this friendship that has endured over the years. We look forward to meeting you again soon, once this pandemic has been swept away, to rebuild our twinning activities and exchanges rich in meetings and sharings, symbols of our union.

Best regards,
